Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x109 feet; no 25-feet frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for $250 each; 10 per cent cash, remaining payments to suit purchaser.

CITY CAMPAIGN IS ON

Promises to be Most Exciting in History of Redwood

Forces are marshaling themselves for the municipal election to be held April 13th and the contest promises to be the most exciting one ever taken place in Redwood City. There are two tickets in the field—the Citizens' ticket and the Good Government League. Both have selected an excellent class of candidates for the people to vote for.

The Citizens' ticket is made up of the following: Trustees—Henry Butts, Thomas Wilson and C. E. Cumberson. Clerk—Carl Plump. Marshal—John Christ.

Mr. Butts is no stranger to official life, having served several terms as deputy sheriff. He is engaged in the contracting business and has a wide experience in municipal affairs that will aid him in his duties as Trustee, should he be elected. Mr. Butts has a strong following.

Thomas Wilson is a native son and one of Redwood City's most widely-known young business men, having a monopoly of the livery business, owning two stables. He is well liked, and if elected would do his whole duty fearlessly and honestly.

C. E. Cumberson is a San Francisco business man who has resided on Roosevelt avenue for the past two years. He has a pleasing personality, is a ready debater, well versed in municipal affairs, and is a man who will gain the confidence of all who may have business with the Board of Trustees. He will make a thorough canvass and ought to receive a substantial vote.

Carl Plump, the nominee for Clerk, has resided in Redwood City all his life and is engaged in the grocery business. He is a clerk of ability, a good penman, and thoroughly conversant with the duties of Clerk. If elected (and his friends think he will), he will fill the office to the entire satisfaction of everyone.

John Christ, the nominee for Marshal, has ably filled that position for many terms, always being elected by large majorities. Mr. Christ has filled the office ably and well and deserves well at the hands of electors.

The Good Government League has chosen the following candidates: Trustees—Robert Brown, Carl Beeger and Professor Merrill. Clerk—Fred Chilcott. Marshal—Charles Kreiss.

Mr. Brown is a well-known contractor of Redwood City who has served two terms, some years ago, as Trustee and made an envitable record as an honest, painstaking official who worked hard for the advancement of the town. Mr. Brown is a man of sound judgment who may always be depended upon to do the right thing at the right time.

Mr. Beeger is a young man who represents large business interests, has the town's wellfare at heart. He would bring to the town broad, sound business judgment, ability and rare tact in dealing with public affairs. He is a popular candidate with a host of friends.

Professor Merrill, while not very well known, resides in Wellesley Park and would represent that portion of Redwood City honestly and ably, and his profound knowledge would be of assistance to the other members of the board. He is a broad-guage man who believes in advancement and keeping abreast of the times.

Fred Chilcott would make an excellent Clerk, having all the qualifications to make him such. He is a young man, and during his residence in Redwood City has made many friends by his uniform courtesy and affability. He is a property owner and is engaged in the abstracting business. He possesses fine clerical ability, being an accountant of note. His friends will make a strong canvass for him.

Charles Kreiss spent the greater portion of his life in Redwood City and is known to every one in town. He has never aspired for office before. If elected he will make a first-class Marshal.

Contractor Hess Won Out

The town trustees held an exciting meeting Monday evening. The residents of Roosevelt Avenue appeared with a lengthy petition against the acceptance of the macadamizing of that thoroughfare by A. Hess. He was paid for the work some time ago but agreed to put on a certain amount of rock to comply with the specifications. The protestants claimed this was not done.

The protest went on to state that fully 20 per cent less rock was used in the last work done by Hess than called for; that where the depth of macadam should have been eight inches but six inches were used; and where the contract called for five inches there were only two or three inches. It was also charged that only the first layer of rock had been put on and then crowned with screenings. On account of these violations of the specifications, the signers of the protest asked that the board refuse to pay the claim presented by Mr. Hess.

Hess stoutly maintained that he had complied with the specfiications and had put on the rock called for. Attorney Barret, represented the petitioners, used some harsh language to the board and for a while a free fight was imminent.

Finally Eoley moved that the work be accepted and the contractor be paid and said motion was carried.

The Old Town Has Changed

Mrs. Deborah Flaherty of Napa is here on a visit to her old-time friend, Mrs. B. Cullen. This is Mrs. Flaherty's second visit to Redwood in twenty years and was surprised at its growth and improvements. The lady, although a pioneer of this city, hardly recognized the town which she once called her residence, so great is the change.

Durham Will Move

George Durham has begun driving piles on the lot adjoining J. W. Poole's property for his horseshoeing shop, which he will remove from A street. He has disposed of his property on the latter street to Fitzpatrick & Barret, who are to erect an office building on the site. A portion of it will be occupied by Mr. Tuchsen, the real estate man.

H. W. Brown presented a map of the Second Subdivision of Brighton Beach and same was accepted on motion of Debenedetti seconded by Blackburn and the customary resolution dedicating the streets delineated on the map to public use adopted.

On motion of Debenedetti seconded by Blackburn, Peter Gianni was given permission to change the location of his saloon license from lot No. 1, block 2, Miramar tract, Halfmoon Bay to Green Canyon.

A communication was read from D. O. Dagget and F. Miner, bondsmen for A. T. Sherman, poundkeeper, of the First Township, announcing their withdrawal. The withdrawal not being in proper form was referred back to the bondsmen.

The following communication from E. W. Williams was read and referred to Supervisor Eikerenkotter.

San Francisco March 12th, 1908.

Worthy Board of Supervisors of San Mateo County.

Gentlemen;

Not being able to call personally on you at this time, I write these lines, to get this matter before you in proper shape for your consideration and will say if you are boosters of your county and not knockers, I will make you this proposition which will be of great benefit to you, and of which you receive no benefit whatever at present.

1st. If you will put a little rock on the Mussel Rock Road where it is now sandy, and fix up the road generally to make it passable, from Colma to Mussel Rock, I will do fifty times as much at the rock, to make it the best resort on this coast.

2nd. Your county road now runs north from the MUSSEL ROCK ROAL to the county line, along the coast to accommodate the vegetable men, I have been over it, and find some places very sandy with plenty of rock close at hand, to make it all in good shap, from the Ocean shore road to the Mussel rock road.

3rd. If you will repair this road I will enlist the aid of the board of supervisors of S. F. to extend the Ocean Beach Boulevard to meet the said road along the coast, so one can reach MUSSEL ROCK, from the CLIFF HOUSE, EDGEMAR SALADA BEACH, VALLEMAR, PEDRO VALLEY and other places south, from the CLIFF HOUSE BOULEVARD which you will readily see will be a very wise move on your part.

4th. I will secure any rights of way for this road to reach MUSSEL ROCK as I have talked with the property owners.

5th. I wish people coming down the beach at low tide, to return by way of COLMA, now a dead town on the map, but can be made a live one.

6th. I want the Mussel Rock road so repaired that a machine can return by way of the coast road or the BOULEVARD road connecting with 19th Avenue.

7th. If your worthy board is willing to spend this money, giving your people work, I will spend over $100,000 on the MUSSEL ROCK property, to make it the greatest resort property on the PACIFIC COAST, and not otherwise, for it would be simply foolish on my part.

8th. I would advise but not insist on at this time, to improve the County Road South a little with some fine rock, along in front of the COMERFORD PLACE which is very sandy at present, Good roads will overcome somewhat the fog in this district, so much dreaded by visitors.

If you wish to make progress, and are not dead ones, as it were, and have your county improved greatly in less than one year, Please write me favorably and I will immediately take hold, to accomplish this end, otherwise I will go to Rawhide, Nev., where things are not dead.

You will note that since the cemeteries were located, the northern part of your county advanced, now here is another chance to advance further a great deal by far, as cemeteries are dead ones indeed, what is wanted beside the dead is some live ones to keep things moving,o therwise the world will stop revolving, and then we will be up a tree sure.

Awaiting your favorable answer,

E.W . WILLIAMS,

Promoter in Charge, Office 3 20th street.

P. S. Eastern capital waiting on you.

A communication was read from Mrs. H. B. Dawson protesting against the action of Health Officer D. Bradley Plymire in preventing her from using two refugee shacks moved to Belle Air Park from Lobus Avenue in San Francisco. She claims that in asmuch as she had a certificate from the Health Officer of San Francisco showing that the buildings had been properly fumigated and were in a sanitary condition that she had a right to move them to this county. Dr. Plymire explained to the board that the shacks had come from the plague district in San Francisco, and while they were supposed to be disinfected he could not vouch for their condition. The board voted to sustain the health officer in his action with regard to moving buildings from San Francisco to San Mateo county and the district attorney was instructed to draw an ordinance covering the removal of buildings from San Francisco to this county.

TheS tate Health Officer's Association sent a communication to the board inviting the County Health Officer to attend the annual meeting of the Association to be held at San Diego on April 20th. The communication urged that the expenses of the Health Officer while attending the meeting be defrayed by the county. The communication was accepted and ordered filed.

The Ocean Shore Land Company withdrew its protest against James Cawley for a saloon license in Farralone City. The protest was presented at the last meeting of the board.

Assessor C. D. Hayward was given further time to report on the petition of the San Pedro Land and Dairy Company who claim to be erroneously assessed.

The matter of the incorporation of the Town of Burlingame was taken up. C, N. Kirkbride, representing the petitioners, read the affidavit of D. E. O'Keefe showing that due and legal notice had been given fixing the time of hearing the petition. He urged that immediate action be taken.

Attorney Hall C. Ross appeared and asked thatt he matter go over till the afternoon when a full board would be present, one supervisor being absent. He said it was a matter of great importance and no undue haste should be taken.

Attorney John E. Bennett urged that the matter be taken up at once, as he had business calling him away before the afternoon. The board finally put the matter over until the afternoon.

The long drawn out controversey between the Italian Cemetery Association and Jewish Cemetery Association came up for airing. Attorney Frohman was present to represent the latter. He said that before the earthquake an agrement had been reached whereby the Italian Cemetery was to have possession of Park Avenue and in turn was to provide the Jewish Cemetery Association with an entrance to the rear of its property. The attorney claimed the agreementwas not kept by the Italian Cemetery Association . There being no representative of the latter present the matter, on motion of Debenedetti seconded by Blackburn was laid over to the next meeting of the board.

During the discussion Chairman Coleman took occasion to remark that the two cemeteries were endeavoring to use the board in order to settle a controversy in which the associations only were interested.

AFTERNOON SESSION.

The board met at 1:30 o'clock pursuant to adjournment at the morning session of the board. All the members were present.

Reclamaion District No. 543, San Mateo, made an application for its bi-annual election for trustees. On motion of Blackburn, seconded by MacBain a resolution was adopted fixing April 20th as the day to hold said elecction at San Mateo Bank.

M. M. Tompkins Jr., and Frank McCoppin Brewer were selected as judges and J. Mitvalsky inspector of election. The notice of election was ordered published in the San Mateo Leader.

The incorporation of the Town of Burlingame was again taken up. Hall C. Ross presented a lengthy petition signed by the residents of Burlingame opposing incorporation. Mr. Ross made a vigorous speech in which he stated that he did not represent the wealthy class, but appeared merely as a citizen of San Mateo and had the best interests of both towns at heart He could not see what Burlingame could gain by incorporation.

Better have one large strong town than two weak ones. He thought that if the two municipalities could be incorporated under a freeholder's charter it would be beneficial to both.

Mr. Ross stated that while it was obligatory upon the board to fix boundaries, th boundaries could be so fixed that there would be less than 500 population and the plan thus defeated. Mr. Ross presented a petition signed by opponents of incorporation.

C. N. Kirkbride urged that the boundary lines be fixed and that Burlingame be given a chance to vote for incorporation. Replying to Mr. Ross' suggestion regarding the freeholder's charter he said that Burlingame would be in the minority and would haveb ut little to say.

George C. Ross made a strong argument against incorporation. He recited the case of the neighboring town of Mayfield which had set up a small incorporation of its own and was now practically dead when if joined to Palo Alto would be a vigorous city. He believes in Greater San Mateo. If both towns were under one municipality more benefits would be derived. Taxes would be lighter and the people more contented.

Supervisor MacBain moved that the corporate limits include all that portion of the proposed limits west of the county road. This motion was about to prevail when it was discovered that the real town of Burlingame would be left out and only the rich owners of estates in the hills be in the new town .

The county road became the bone of contention. With the county road inside the limits it was argued that it would be poorly maintained, as is the case in San Mateo and Redwood City. To make the county road the western boundary would be to rob the county of support for the road by taking away a large percentage of the taxable property adjacent.

Chairman Coleman said that any of the boundary lines would be acceptable to him. He went over the ground with the surveyor at the last survey and suggested the boundary set forth in the report on file. He had since learned that he would derive no taxes from the piece of the county road that would be included in the incorporation though he thought he would get taxes for a year. However the board could fix the boundaries to suit themselves. On motion of Elkerenkotter seconded by Blackburn a resolution was adopted fixing the boundaries as modified in the last petition. At some future meeting of the board an election will be called so that the people of Burlingame may vote on the question of incorporation.

Ordinance No. 221, regulating the collection of garbage, requiring metal receptacles therefore, and providing for the disposition of same, was adopted on motion of Blackburn seconded by MacBain.

Ordinance No. 222, providing for sanitary inspection of buildings before removal into San Mateo County, was adopted on motion of Eikerenkotter seconded by Blackburn.

Ordinance No. 223, fixing a bounty upon rats and providing for their destruction as a sanitary measure, was adopted on motion of Eikerenkotter seconded by Blackburn.

Campbell; Catulus, aid to Victor, Eugene O'Connor; Roman Emperor Maximan, Eugene Cronan; Praetors, E. Mullally and E. McNamara. St. Victor was a Roman General and a great favorite of Emperor Maximan. He was sent to Conquer Syria. He did so and was made Governor of that place. On one occasion he visited Rome and met General Catulus who was jealous of the general's advancement. Catulus suggested that Victor make a sacrafice to Jupiter in honor of his numerous victories. Victor refused to do so and was suspected of being a Christian and was thrown into jail and died in a shortt ime. Catulus was soon after killed by a slave whon he had promised to free if he would do away with Victor. The play is very dramatic and was well presented.

James E. Ralston, one of the best known ranchers of this county, passed away at the Underwood sanitariu early Monday mmorning after an illness of over two months. Mr. Ralston had complained for some time about the condition of his stomach and six weeks ago was taken to the Waldeck in San Francisco for treatment. M., or as soon thereafter as the signers thereof could be heard, the said petition and affidavit and notice would be presented to this Board, of Supervisors in open regular meeting of said Board on said day, at the rooms of said Board at Redwood City, in said County of San Mateo, for hearing and consideration, by and before said Board; and which notice was duly signed by the said three electors who executed the said affidavit, who signed the same, not only as signers of said petition, but as a committee on behalf of said petitioners; and whereas, the said petition, affidavit and notice, was duly presented to the said Board, as stated and set forth in said notice, and was thereupon duly received and filed, and is hereby specially referred to and made a part of this ordinance as fully as if the same were herein fully set forth at length; and whereas, upon the presentation of said petition, affidavit and notice, there was also and at the same time presented to and filed with said Board, the affidavit of W. H. Hanscom, the printer and publisher of the Burlingame Advance, a weekly newspaper printed and published in said County of San Mateo, and within the limits of said proposed municipal corporation, deposing and setting forth that a true copy of said petition, affidavit and notice had been regularly printed and published for at least two weeks before the time at which the same was presented as aforesaid, to-wit: on the 14th day of December, 1907, on the 21st day of December, 1907, on the 28th day of December, 1907, and on the 4th day of January, 1908, and in each and every issue and copy of said newspaper printed and published on said days.

And whereas, thereupon, sworn testimony was received supporting the allegations set forth and contained in the said petition, affidavit and notice, and oral and documentary evidence was introduced and heard before the Board and a partial hearing was had by said Board; and whereas, said Board did thereupon continue the further hearing of said petition and matter to the 20th day of January, 1908, at he hour of 10 o'clock A. M., of said day; and whereas on said 20th day of January, 1908, at the hour of 10 o'clock A. M., the said Board proceeded with the hearing of the said petition and thereupon duly continued the hearing of the same for four weeks and until the 17th day of February, 1908, at the hour of 10 o'clock A. M. of said day; and whereas, on the said 17th day of February, 1908, at the hour of 10 o'clock A. M., the said Board duly met and proceeded with the hearing of the petition, and thereupon duly continued the said hearing for one week, and until the 24th day of February, 1908, at the hour of 10 o'clock A. M.; and whereas, on said 24th day of February, 1908, the said Board upon investigation did find that the boundaries of said proposed municipal corporation as set forth in said petition were incorrectly described and not satisfactory to said Board, and did thereupon order the County Surveyor of said County of San Mateo to ascertain and report a description of the boundaries, and direct that the further hearing in said matter be continued to the next regular meeting of said Board, viz: March 2nd, 1908, at 10 o'clock A. M.

And whereas, on the 2nd day of March, 1908, the County Surveyor of the County of San Mateo, did return to said Board and file with the Clerk thereof, a report and description of the proposed boundaries of the "Town of Burlingame," ascertained and made in pursuance of the order of said Board, together with a map or plat of the territory included within said boundaries.

M., of said day, and did further direct that the further hearing in said matter be continued to said last mentioned time.

And whereas, pursuant to the said order of this Board the County Clerk of said County being the Clerk of this Board, did duly give the said notice that said report would be acted upon at said regular meeting so to be held by this Board this day and hour, and did duly publish the same as required by this Board, and whereas the same has been duly published.

And whereas, the said matter and the said report and petition came now on regularly for hearing and further consideration by this Board, and an affidavit by D. E. O'Keefe, the printer and publisher of the Times Gazette, a weekly newspaper printed and published in said County of San Mateo, deposing and setting forth that the said notice hereinbefore last mentioned had been published in each and every copy of said newspaper printed and published on the 7th and 14th days of March, 1908, being all the issues and days of publication of said paper subsequent to said 2nd day of March, 1908, and prior to this day of hearing was duly presented to this Board and filed with the Clerk thereof;

And whereas, there has also been duly presented to this Board and filed with the Clerk thereof, a like affidavit of W. H. Hanscom, the printer and publisher of The Burlingame Advance, a weekly newspaper also printed and published within said County of San Mateo, and within the boundaries of said proposed municipal corporation, deposing and setting forth that said last mentioned notice had been published in each and every issue and copy of said paper, printed and published on said 7th and 14th days of March, 1908, being all the issues and days of publication of said paper, subsequent to said 2nd day of March, 1908, and prior to this date.

And whereas, thereupon the Board proceeded with the hearing of said petition and further sworn testimony and evidence was presented to and heard by said Board, and said petition and report of said Surveyor and matter having been finally submitted to said Board for consideration and determination, and it appearing to said Board and said Board having ascertained and determined and said Board does hereby ascertain and determine:

That said petition was duly and regularly signed by more than fifty (50) qualified electors of said County of San Mateo, then and now residing within the boundaries mentioned in said petition and within the boundaries hereinafter defined and set forth; that a copy of said petition, affidavit and notice, was duly and regularly printed and published in a newspaper printed and published in said County of San Mateo, and within the boundaries so mentioned in said petition and as hereinafter defined and set forth, to-wit: The Burlingame Advance, for more than two weeks successively next preceding said 6th day of January, 1908; that the number of inhabitants residing within the boundaries mentioned in said petition and within the boundaries hereinafter defined, established and set forth was, and still is more than five hundred (500) and less than three thousand, to-wit: One thousand.

That no portion of the territory within the boundaries mentioned in said petition or within the boundaries hereinafter defined, established and set forth, is a part of or is included within any existing municipal corporation;

That the said boundaries mentioned in said petition as reported by said County Surveyor should be modified as recommended by the County Surveyor and that this Board deems such modification to be necessary and that the same is necessary, and that as so modified the said boundaries of said proposed municipal corporation will be as hereinafter defined, established and set forth;
